WORKSHEET INSTRUCTIONS

- A. State every answer truthfully. A fraudulent statement is a federal crime and may prevent the discharge of your debts. Usually, legal solutions are available to protect your concerns, so do not try to hide anything from us.
- B. **YOU MUST ANSWER EVERY QUESTION.** If the answer is none, write "none." If not applicable write "N/A." If not known, find out either by phone call or reviewing old and recent bills. The bankruptcy will be prepared from this worksheet. If a question is left unanswered, you should assume that the attorney will conclude that the response is "none" or "not applicable," as the case may be.
- C. **A ZIP CODE IS REQUIRED FOR EVERY ADDRESS GIVEN.** You are solely responsible for ensuring that all address information is recent, correct and complete.
- D. If you need additional space, write "over" and use the reverse side of the page or attach a separate page.
- E. Get your credit report from all three credit bureaus (Equifax, Experian and TransUnion) and make sure that all creditors shown on your reports are included in this worksheet. The website www.annualcreditreport.com will guide you through to each credit bureau to get your free annual credit report from each.

F. **YOU MUST LIST ALL YOUR DEBTS** even if you do not believe they are fair or yours. In addition to the debts on your credit reports, you should list any other debts or potential claims of any party against you that you are aware of. Only the debts and amounts listed will be discharged. **YES, YOU MUST LIST EVEN THOSE DEBTS OR OBLIGATIONS THAT YOU WANT TO "KEEP."** Do not give us the bills.

G. **YOU MUST LIST ALL OF YOUR ASSETS (EVERYTHING YOU OWN). THERE ARE NO EXCEPTIONS.**

H. If any questions arise, please call the office at (719) 444-8464. It will save time if you make notes of all questions you have and then call after completing the worksheet.

I. After the worksheet is returned to our office, it takes **two weeks** to prepare the documents for your signature. If we have to contact you because the worksheet was not completed correctly, the time will be longer.

5. UNSECURED CREDITORS

These creditors do not have a security interest in any of your property. In other words, they do not have the right to repossess any property if you fail to pay the debt (e.g. credit cards, medical bills, utility bills, apartment leases, etc.). In addition to the unsecured creditors listed in your credit reports, you should list any other party not on your credit report which may have any claim against you (whether legitimate or not).

If you have multiple accounts with an original creditor, you only need to list the original creditor one time for all accounts. However, please make sure that you list all of the debt collectors and/or attorneys, if any, on the various accounts.

You do not need to list debts which were discharged in a previous bankruptcy.

To be safe, if a debt appears as “charged off” (or similar) on your credit report, you should list the creditor, as this may indicate that the debt still exists because it was sold to another party.
